Mr. Robert W. Autham

Dear Bob:

I thoroughly enjoyed your letter of February 11 and thank you most warmly for it.

Your trip to Europe last year must have been delightful, considering that you had the time to relax a bit. For my part, I journeyed around 25 countries last fall, covering 35,000 miles in something like six weeks. Anything but a vacation, as you can imagine.

With kindest regards.

Sincerely,
